Now it's getting colder...

Please can we remind all our parents and Carers to bring your child to nursery with clothing suitable for playing outside in all weather such as wellies, hat, scarf, gloves and a waterproof coat. Also, a spare change of clothes including socks just in case!

Thankyou.

The Nursery is available to hire for **Children's Parties** at the weekends.

There are different packages available for you to book and we can recommend and provide contact details for children's entertainers who provide, discos, party games, children's character guests and lots more. Two members of staff from the nursery will be on hand to help out too! If you require any more information please ask Sophie or Nina who will be happy to help!

Halloween Party!

We are pleased to announce that the nursery will be holding a Halloween party on Saturday the 29th of October starting at 2.00o'clock and finishing at 4.00 o'clock. There will be lots of spooky activities for you and your children to enjoy! Please bring your families and friends to share in the fun too!

We would love to know what you think!

There is a comments, compliments and complaints box on the wall as you enter the nursery in the main door. Feel free to use this box to tell us anything relating to nursery or any ideas you may have.

Lending Library

Please can we remind you that we have two lending libraries for you to use. One for children to borrow story books, and one for parents! The parents library has books you can share with your children to help them understand different things in their lives such as getting a new brother or sister, moving house, potty training and much more! Please take advantage of this service and let us know what you think!
